

Contingents to International Rover Scout Events

All Rover Scout and other registered members attending international Rover Scout events must do so as a part of a formal Contingent. The Contingent must have an appointed Contingent Leader, to act as the liaison between the event organisers, National Commissioner International and host National Scout Organisation and contingent event participants

The Australian Contingent Leader to overseas Rover Scout events should, where practical, be a Rover Scout for the duration of the organising and event itself.

The appointment of Contingent Leaders is done two years in advance of the event, where practical. The National Commissioner International makes this appointment with input from the NRC Chairperson on behalf of the NRC.

Applications to attend international events should be approved by the applicants Branch Rover Council, in conjunction with Branch policies.

It is at the discretion of the International Commissioner and National General Manager to accept requests for a contingent fee cost breakdown
